Subject: TENTATIVE LIST OF SC HEARING ON 25.01.2017 REGARDING 100%
NEUTRALISATION OF DEARNESS RELIEF TO PRE-01.11.2002 PENSIONERS

Dear Sir,

Further to our telecon today and as informed earlier, Indian Banks' Association has filed Intervention Application to become party in these civil appeals. On 29th June'16, the Bench directed to list these applications along with the main matters in the month of January, 2017. (Not for final disposal).

The case on 100% DA is scheduled in the advance weekly cause list of Supreme Court as item No :20 for Hearing on 25th Jan 2017 as mentioned in the attachments.

On earlier occasions too, same were listed but could not reach to the level of the CAs being taken up for further hearing. Hence we cannot definitely say that same will be taken up as per tentative weekly list. It may come up or may also be taken up later . To us, it appears that we have to pass through a long and arduous journey in the Supreme Court for the CAs to reach finality for getting justice .

Connected records of the Supreme Court extracted from its website are in the attachments for better clarity on the current status of Civil Appeals pending before the apex court on the subject.

With Warm Greetings,
S.V.Srinivasan,
