Dear Sir

Further to our message on GST cut reproduced below, we are happy to inform that as per the announcement made, GST Council is scheduled to be held on **24.09.2025** where important decision on rate cut on GST are likely to be announced including cut in GST rates on insurance premium payable on health insurance.

We hope long pending demand of bank retirees which AIBRF has been pursuing since 20219 will be achieved on 24.09.2025

BEST OF LUCK

S. C. JAIN
GS AIBRF

Dear Sir,

Re: GST Reduction on Health Insurance

As you all are aware, AIBRF launched continuous and sustainable campaign for reduction in GST Rates on health Insurance payable by senior citizens. Our efforts included submission of memorandum to Chair Person, GST Council and members from time to time, meeting Members who happen to be ministers in states in person.

2. We are happy to note AIBRF campaign started in 2019 in the matter has now become wider national issue. The Honorable PM has already announced government decision to rationalize and reduce GST on large number of items / services used by members of public.

3. AIBRF has been constantly pursuing the issue through Chair Person GST council and with the office of GST Council, Delhi. after PM announcement on independence day. We expect sizeable relief in GST rates on insurance premium and other items of daily use.

4. It is our request to all persons in AIBRF not be carried away on negative news items

appearing in social media in this regard. We expect decision of GST Council on reduction in GST rates at any time before 15.10. 2025 .

With Warm Greetings,

S. C. JAIN
GENERAL SECRETARY,
AIBRF
