Dear Comrades

We are happy to forward paper cuttings appearing in various papers reproducing statement made by honorable Finance Minister Smt. Nirmala Sitarman asking IBA and its Chairman to consider overdue demand of bank retirees on pension updation.

It is very positive statement

It has been happening due to sustained organisational efforts made by our organisation in last 2/ 3 years including delegation of **Women Wing from Karnataka state committee meeting the FM in Banagalore in February 2020 requesting her to ask IBA to consider demand of Updation favorably.**

Regards
