Dear Sir

**Re: Negotiation Between IBA and UFBU on 14th March 2014
Retirees' Issues**

We refer to UFBU circular 22 of 14.03.2014 issued after conclusion of bipartite talk on 14.03.2014.

2. It is heartening to note that during this round of talk the retirees' issues came in focus and they were discussed in detail. As per the above communication of UFBU, the following demands of retirees were discussed

(a) Improvement in family pension scheme

(b) 100 percent Dearness Allowance to Pre-2002 retirees

(c) Periodical updation of pension of past retirees on the occasion of wage revision.

We are happy to note that IBA was considerate on these demands and have agreed to work out cost implications to enable them to take view on the demands. We are of the view of this is a big move forward towards finality of our issues.

3. We convey our sincere thanks to UFBU Convenor Shri M. V. Murli and leaders of all constituents of UFBU for bringing retirees issues for discussion with all seriousness during negotiation on 14th March, 2014. We are now quite hopeful that our long pending issues will be settled in 10th wage settlement.

4. Here we would like to mention that AIBRF has been preparing detailed strategy right from 2011 at its meeting at Lonawala towards achieving our pending demands in 10th wage settlement. Our efforts included finalisation of charter of demands, submission of charter of demands to UFBU constituents coordination with UFBU leadership, personal meetings with leaders of UFBU and officials of banking department, political leaders, members of parliament, coordination with our sister organisation and recently a massive Dharna programme at Jantar Mantar on 7th March, 2014 to give strong signal to all concerned that the retirees have capacity to react in effective manner at the organisational level and they will not sit silently if their interest is not properly taken care of in the ensuing settlement. We are very happy that all constituents of UFBU
