Dear Sir

### Re: Request for Appointment

We request you to recollect that when we met in delegation to then Chairman, IBA on 25.05.2015 to handover the Memorandum on Retiree demands, he (Chairman) asked you in the presence of entire Managing Committee to deal with it and immediately thereafter when we met you separately you assured us to examine the demands and call us for the discussion after some time.

2. Since then, during last 3 months we have been patiently waiting for your call for the discussion but there is no response from your side. We find that you have not cared to even acknowledge the Memorandum.

3. We wish to inform you that more than 3 lakhs retirees in the banking industry are highly agitated and disappointed because of IBA not considering any pending demands of the retirees in the settlement signed on 25<sup>th</sup> May 2015. They are continuously on agitational path and have been holding demonstration and Dharna programmes in different parts of the country for last 3 months under the banner of AIBRF. Our Cadre was expecting that in view of the assurance given by you in the meeting of 25<sup>th</sup> May 2015 you would hold discussion, in near future, with our representatives on the points you have committed to consider in the Record Note dated 25.05.2015 on Retiree issues like to grant 100 percent Dearness Relief to Pre-2002 retirees on humanitarian ground, improvement in family pension etc.

4. But now retirees are losing all pertinence because of abnormal delay in settling their issues pending for more than 10 years, they will have no alternative but to launch massive agitational programme including hunger strike in case IBA does not take immediate action to hold discussion with us and sanction their pending demands immediately.
