**Sub :- Issues relating to Pensioners of Banking sector (PSB),
Ref.:- Representation dt. 12/05/2016 received from All India Bank retirees
Federation.**

Respected Sir,

I am approached by the representatives of the above organization, who have submitted their representation referred above in respect of few serious grievances of the Bank Pensioners in the country.

I have gone through their representation and understand that the bank pensioners in the country are facing very grave situation which is completely unjust and illogical too.

The situation resembles to pension issues of defense sector which are now resolved by our Government. Similarly the issues of the Bank Pensioners also need our preferred attention with suitable directions to IBA.

I therefore request you to kindly look into their grievances with patients and human face.

Their representation is enclosing herewith for your ready reference and perusal.

With warm regards,

Yours

Gopal Shetty
