### DEMAND DAY IN WEST BENGAL

**In keeping with the programme released by AIBRF we observed ALL INDIA DEMAND DAY in BBD Bag, the business hub of Kolkata, on 25th. inst in a befitting manner.**

**We had to organise the programme in less than 48 hours' time as you are aware that West Bengal was under the control of Election Commission till 21st May because of Assembly Elections resulting in no permission from them for holding any programme on the street beyond 21st. 22nd was Sunday. On 23rd we got necessary permission from the Police authority in the evening. As such we made hectic arrangement throughout 24th collectively to hold our Rally on the day as scheduled. It was a mammoth gathering of our member retirees defying age and inclement weather. Around 700 persons assembled enthusiastically including one 88 year-aged. The rally was a lively one, addressed by Jayanta Ray, Tapan Moitra, Ashis Sen, Anindya Bose, Sushil Roy, Apurba Mondol and Kalyan Sengupta. The meeting was conducted jointly by Sambhu Das and Amal Ghose.**

**Photographs were posted to you already.**

**We are on the job to implement other programmes also, as given by you.**

**With greetings,**
