Respected Sir,

We find that you have made special mention in your speech at Goa about the contribution made by the bank retirees in managing cash dealings and handling large crowd of customers and members of the public at bank branches for long hours for effective handling of the situation arising after the announcement of demonetisation of currency notes of Rs. 500 & Rs. 1000/- from 8th November, 2016. During the speech, you have appreciated bank retiree contribution in effective handling implementation of the important national mission.

2. We feel honoured and convey our sincere thanks for acknowledging the contribution of bank retirees. We are of the view that coming time will be quite challenging for the banking industry in the country for spreading banking habits among the large population in the post-demonetisation era to bring the economy in the cashless and digital system. We, bank retirees offer our services and experience wherever needed and deemed fit by the government/ bank management to implement various banking schemes successfully in these need of hours.

3. Our organisation, All India Bank Retirees' Federation is the apex level body of bank retirees with membership of more than 1,50,000.

With Warm Greetings,

Yours Sincerely,

(S.C.JAIN)
