We wish to invite your kind attention on the proposal to increase ex-gratia amount of Pre-1986 and their spouses from banks, understood to have been sent to DFS by IBA a few months back which is pending for final approval

In this connection, it may be mentioned that earlier too we had sent you a few representations in this regard. One and half month back, you were kind enough to give appointment to delegation from our organization who met you in your office with the request to expedite approval on the proposal sent by IBA. You had assured the delegation that the matter is in your knowledge and under consideration. It may be added that the beneficiaries who will be eligible to get benefit of the increase retired before 1986 and all are 95 plus. They are not eligible for pension also and managing the life the meager amount they are presently getting.

3. We once again humbly request you to kindly expedite the approval so the super senior citizens can get much needed relief for which they have been waiting for long.

Yours Sincerely
