

**DRAFT FOR LODGING ON LINE APPEAL TO PRIME MINISTER OFFICE BY RETIREES
ON UPDATION OF PENSION**

APPEAL FROM BANK PENSIONER

**Shri Narendra Modi
Honourable Prime Minister
Government of India, New Delhi**

Respected Sir

Re: Undue delay in sanction of Pension Updation to bank pensioners

I convey my sincere thanks to you and your government for asking Indian Banks' Association about two years back to consider bank pensioners' demand of pension Updation and submit proposal for approval of the government.

2. But I find that despite all organisational efforts made by retirees and their organisations, IBA has not taken any concrete steps to finalize the proposal in last two years.

3. I retired from.....(Bank Name) in the year..... and at present my age is..... I am getting pension of about Rs.per month which is not sufficient to take care of basic necessities and medical expenses for me and my spouse. I am not getting benefit of 100 per cent dearness relief (wherever applicable). Out of this limited pension, I am required to pay about Rs. 50000 p.a. for health insurance alone. In the absence of Updation life is becoming more difficult and challenging. Honestly speaking survival under these circumstances is under threat.

4. It is my humble appeal to you to ask Indian Banks' Association to submit proposal on Updation of pension to the government for approval urgently so I and more than 5 lakhs bank retirees like me can live remaining life with dignity and respect.

With Respectful Regards

Date:

Yours Sincerely
