Silent Demonstration was held near the Head Office of the Bank, (in front of St.Thomas College), Thrissur, from 9.30 to 11.00 AM on 22nd September, 2015 in protest against the mismanagement in the Bank. Retirees of the Bank and our well wishers in large numbers participated in the demonstration with mouths shut with black clothes to express our strong protest against the heinous actions of the CSB Management to silence us through court orders. Even very old senior members also joined the action programme defying their ill health and age related problems.

After the demonstration, Rally was held to M.O.Road Thrissur which culminated with demonstration in front of the M.O.Road branch of the Bank, at 12.00 noon.

The demonstration and the rally were grand show of our strong protest against the mismanagement in the Bank and also against the shameful actions of the management to silence those oppose rampant corruption and nepotism in the Bank.

BEWILDERED CSB MANAGEMENT APPROACHES COURT TO STOP DHARNA

Dharna was scheduled in front of the Head Office of the Bank today, from 9.30 onwards as part of our action programme to end the rampant corruption by the top management in the Bank. Utterly perplexed over the mass support received to the movement, they went to the court and obtained injunction restraining us from holding dharna in front of the Head Office of the Bank, on this day. Respecting the court order, we held demonstration at St.Mary's College Road Junction, near to the Head Office of the Bank, with our mouths shut in strong protest against the heinous actions of the bank to silence us. It is to be mentioned that the management has accepted all our contentions with regard to their atrocities in the Bank, in the affidavit filed in the court.

After the demonstration, all the participants went in rally to M.O.Road, Thrissur and held demonstration in front of the M.O.Road branch of the Bank

Dear Friends, we are determined to end the rampant corruption in the bank as we know the mismanagement at the top level has made severe damage to the strength and growth of our beloved Bank.

The demonstrations held on 15th and 22nd September 2015 are only the beginning of our fight against the vested interests in the Board of the Bank and their accomplices. We will be further intensifying our actions if the management is not changing their attitude and reversing the decisions detrimental to the interest of the Bank. We are getting great support from within the Bank and the organisations of the serving staff and retirees of all the banks in the state. We are fully confident of our ultimate victory.
