UFBRO AFFILIATES

Dear Sir,

Re: UFBRO Meeting held at Mumbai on 5.08.2012

We are pleased to enclose note on the proceedings of the UFBRO meeting held at Mumbai on 05.08.12.

2. The house had taken unanimous decision to nominate Shri S.C.Jain General Secretary AIBRF as new Convenor of UFBRO in place of Shri S.R.Kulkarni. We place on record our thanks and gratitude to Mr. Kulkarni for the valuable contribution made in formation of UFBRO and running it successfully for 8 years.

3. Today UFBRO represents more than 1 lakh bank retirees coming from 41 banks. However the fact remains that many all India retiree organisations in banking industry are out side the UFBRO fold. Today the need of the time is to unite the retirees at the apex level and coordinate the activities of such retiree organisations. Therefore it was decided to approach the all India level organisations and invite them to join UFBRO. The Convenor will be writing suitable letters in this regard and extend invitation to attend forthcoming meeting of UFBRO to be held at Mumbai on 3rd November,2012 at Mumbai.Our efforts would be that before the commencement of next settlement all retiree organisations unite themselves under the banner of UFBRO. Along with the Convenor Shri V.T. Makwana of RBONC and Shri S.M. Deshpande of AIBRF would approach certin retiree organisations for bringing them in UFBRO. Committee of Shri Hargopal from AIBRF and Shri Deshpande from RBONC would decide norms and broad eligibility criteria to invite organisation to seek affiliation of UFBRO and place their recommendations for adoption in the next meeting.

4. Charter of Demand prepared by AIBRF and being presented among UFBRO affiliates was unanimously adopted as Charter of Demands of UFBRO. We shall be now working wholeheartedly for achieving the pending demands of retirees under the banner of UFBRO.

5. As decided in the meeting delegation of UFBRO propose to meet the Secretary of Department of Financial Services in near future to pursue our pending demands especially 100 percent DA neutralisation and direction from the government to IBA to discuss with the representatives of retirees on their issues.

6. We propose to launch mass one day dharna at maximum possible centres in January 2013 to create awareness for retiree issues and mobilise public support. The exact date
