The General Secretaries
Officers' Associations (AIBOC, AIBOA, INBOC & NOBO)

Dear Comrades,

We understand that Officers' Associations have been invited by IBA on 13th April, 2022 to discuss residual issues. As you are aware, one of the important residual issues is **Updation of pension of retirees**. We are grateful to the leadership of Officers' Associations and UFBU as whole for raising the issue of Updation with IBA during the negation on last wage settlement and thereafter including it as residual issue. Because of continuous efforts made, IBA has already initiated steps in this direction and has since formed committee to examine the issue.

2. We humbly request leadership of all Officers' Associations that issue of Updation is raised in the forthcoming meeting for some acceptable solution. It will not be out of place to mention that more than 4 lakh pensioners are eagerly waiting for early resolution of this long pending demand. Out of this, large number of pensioners are 75 years and above and they carry desire and earnestly want to see completion of Updation exercise during their life time.

3. Looking forward for some positive development in the matter in the meeting with IBA

With Respectful Regards,

Yours Sincerely

(S. C. JAIN)
GENERAL SECRETARY
