Dear Sir

Re: Developments on Updation Demand

As you are aware, AIBRF has been continuously following up and launching several action programs from time to time to achieve demand of updation of pension.

2. We find that after announcing some positive steps towards updation exercise by IBA on intervention by the government in July, 2021, there is hardly any development in the matter thereafter. We have not heard any thing about holding of meetings by the committee constituted for this purpose by IBA to finalize its conclusion and recommendations in the matter in last 11 months after July,21. We also note that IBA is also not responding to the representations of UFBU to convene the meeting to discuss and negotiate the issue. This approach of IBA on the issue resulting in to further delay on this long pending matter is causing lot of anxiety and frustration among more than 5 lakhs bank pensioners.

3. AIBRF is on struggle path and will continue to take all possible steps at the organizational level till this demand is achieved. At present, AIBRF program of submitting memorandum on updation to Zonal Manager for onward transmission to IBA is going on full swing. We are getting reports on submission of the memorandum on daily basis from affiliates/ state committees. So far, memorandum on updation has been submitted to 146 Zonal Managers. We request affiliates/ state committees to further expedite the steps in this direction in coming days.

4. We are making efforts to approach the honorable Prime Minister for his personal intervention in the matter. We enclose the representation which will be submitted to him on behalf of AIBRF in the coming days.

5. Other organizational programs on updation issue will be rolled out shortly to pursue the matter.

UFBU Strike Call

6. We have come to know through UFBU communication dated 8.6.2022 that it has given one day strike call on 27.6.2022 in banks in view of undue delay in resolving residual issues. **Out of the 5 issues identified for the strike call by UFBU, one is Updation of Pension** which pertain to retirees and is one of the most important demand of AIBRF which it has been pursuing vigorously. **We are grateful to the UFBU leadership for including Updation issue also in their action programs and strike call.** AIBRF fully and wholeheartedly support strike call of 27.06.2022 given by UFBU. We ask our

affiliates and state committees to participate in demonstration other programs organized by UFBU and its constituents on this occasion to express our support and solidarity in their struggle and fight.

With Greetings,

Yours Sincerely
