Dear Sir,

Re: Government Launching **ABHA Link** to download AUSHMAN BHARAT  
CARDS by senior citizens above 70 years old

We are happy to inform that Government of India towards fulfillment of its assurance has recently launched a LINK enabling eligible beneficiaries (includes 70 year and above old senior citizens) to download ID card which will enable the card holder to avail benefits/ facilities available under AUSHMAN BHARAT scheme up to Rs.5 lakhs at approved hospitals.

2. The card may be downloaded by the eligible persons by visiting ABHA APP on the Registered Mobile. Documents required for downloading the cards are either ADHAR CARD or DRIVING LICENCE. After filling the required columns, OTP will be sent on the registered mobile number and after feeding OTP, ABHA identity card along with photo of the cardholder will be generated. The card may be downloaded in physical form or saved in Digital Locker.

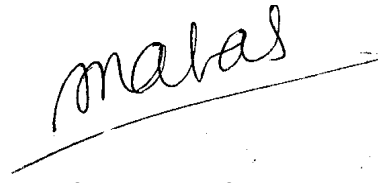

3. We hope this facility will provide one more tool to address health related issues effectively.

4. We are in the process of collecting some more information of the scheme and will share with affiliates to address operational issues

5. All our affiliates are requested to circulate the scheme among members to create awareness among them.

With Warm Greetings

**Yours Sincerely,**
