Dear Sir,

**Re: Heavy downpour and flood situation in Andhra & Telangana States
In September, 2024 affecting lakhs of people**

Due to heavy rainfall measuring about 520 millimeters in 24 hours in September, 2024, vast land area in Andhra Pradesh and Telangana states submerged in deep water affecting lakhs of people in the states. There are heavily losses to the properties in the area due to the flood and as per the media report about **50 persons have died** in the flood. Large number of people in rural areas have become homeless.

2. Two state committees of AIBRF in the states of Andhra Pradesh & Telangana have commenced providing assistance to rehabilitate the victims and collected funds in their states from members for this purpose.

3. **AIBRF central office has decided to send Rs. 50000/- to the state committees as a support to their rehabilitation work to express our solidarity in these hours of calamity.**

4. We appeal our affiliates to consider sending funds to the state committees for this purpose to strengthen their hands to help flood affected victims.

With Warm Greetings,

Yours Sincerely,
