**Re: 7th Triennial Conference of AIBRF at Indore from 15th to 17th December 2026Re:
Nomination of Delegates, Observers & Escorts by Affiliates**

We are pleased to inform you that preparations for the 7th Triennial Conference of AIBRF at Indore from 15th to 17th December 2026 are progressing satisfactorily.

We are happy to enclose the consolidated list of nominations received from **30 affiliates**, comprising:

936 Delegates

237 Observers

- **31 Women Observers nominated by State Committees**

The last date prescribed for submission of nominations was **30.09.2026**. However, 10 affiliates are yet to submit their nominations. These affiliates are requested to forward their nominations **within the next 24 hours**. After this deadline, no further names will be accepted, as the Central Office has to finalize various arrangements connected with the Conference.

Important Points for Strict Compliance

1. Unique identification number for every Delegate and Observer is allocated and given in the list

Every Delegate and Observer has been allotted a **unique identification number**. The number should appear on the badge which must be prominently displayed by the concerned person throughout the business sessions. Entry into the Conference Hall during business sessions will be permitted only after verification of the identity of the Delegate/Observer. Affiliates are therefore requested to ensure that the names and particulars submitted by them are correct.

2. Verification of names All affiliates are requested to carefully check the enclosed list and communicate any **correction, modification or change required in the names** to the Central Office latest by **09.10.2026**. After this date, changes may not be possible because of the arrangements being finalized for the Conference.

3. Substitution of Delegates Substitution in the name of a Delegate will be permitted only for valid and unavoidable reasons, and up to 30.11.2026. Any such substitution will require the joint authorization of the President and General Secretary4. Registration fee, subscription and struggle fund. The names of Delegates and Observers will be treated as confirmed subject to payment of the prescribed registration fee by 31.10.2026.

Affiliates are also required to ensure clearance of:

- Annual subscription up to **2026**, wherever in arrears; and
- **Struggle Fund**, wherever payable and in arrears.

A few affiliates, presently around **5–6**, have not paid Struggle Fund. They have also not communicated reasons for not paying. Such affiliates are advised to submit a **specific request for extension of time**, together with their **audited balance sheet or other appropriate financial statement demonstrating their financial difficulty**. It is emphasized that an affiliate which neither makes payment nor submits a request for extension with supporting financial particulars will be treated as being **in default**.

5. Travel plans and hotel accommodation

Allocation of hotels and rooms will be finalized after receipt of the **travel plan of the concerned affiliate**.

Travel plans should be sent by the affiliates **in consolidated form for all their participating members** and should not be sent individually by Delegates, Observers or Escorts.

The travel plan should clearly indicate the expected date and time of arrival and departure so that proper accommodation and other arrangements can be made.

6. Accommodation Committee

For any clarification relating to registration, accommodation and allied arrangements, affiliates may contact: Shri Mukesh Bhatt (MObile No. 9826580099)

7. Stay beyond the allotted period

If any Delegate, Observer or Escort requires accommodation beyond the period covered under the normal Conference arrangements, the same should be specifically mentioned in the consolidated travel plan submitted by the affiliate. The requirement will be communicated to the concerned hotel. Accommodation for additional days will, however, be **subject to availability of rooms**. The charges for such additional stay will have to be **settled directly by the concerned individual with the hotel**.

8. Local transportation the hotels being arranged for the Conference are generally within a reasonable distance from the Conference venue. The maximum distance is approximately 5 kilometers. Arrangements are being made for **local transportation between the hotels and the Conference venue**. Detailed information regarding transport routes, timings and pickup points will be communicated separately.

NOVEMBER 2026 – MONTH OF MOBILISATION FOR THE 7th CONFERENCE

The Central Office would also like to make a special appeal to all State Committees and affiliates to utilize the month of **November 2026** for extensive organisational mobilisation in the run-up to the 7th Triennial Conference. The 7th Conference is not merely an organisational event at Indore. It is an important milestone in the continuing **movement of bank retirees** and provides an opportunity to take the message, achievements and pending demands of AIBRF to every member.

The Central Office is preparing and sending substantial material covering, among other things:

- Major achievements of AIBRF on issues concerning bank retirees;
- Important pending demands and issues;
- Pension updation and other pension-related matters;
- Health insurance and medical welfare issues;
- Legal and policy initiatives undertaken by AIBRF;
- Campaigns and struggles conducted by the organisation; and
- Other important developments concerning bank retirees and their families.

State Committees are requested to hold special meetings—physical or virtual—during November and place this material before members in an organized manner. These meetings should not be treated as routine meetings. They should be organized with the objective of creating **greater awareness, enthusiasm and participation among the membership**. In fact, every such meeting should emerge as a **“Mini Conference” at the State/District/affiliate level**,

particularly for the large number of members who, for various reasons, are unable to travel to Indore.

The message should reach every corner of our organisation:

The 7th Triennial Conference belongs not only to those attending Indore—it belongs to the entire AIBRF family.

Let November be a month of **organisation, mobilisation and awareness**, culminating in the historic gathering of bank retirees at Indore in December.

A WARM WELCOME TO ALL

The Central Office extends its **warmest welcome** to all Delegates, Observers, Escorts and Women Delegates/Observers who will be participating in the 7th Triennial Conference.

Indore, the headquarters of AIBRF for nearly two decades, is eagerly looking forward to receiving the AIBRF family from across the country. The Reception Committee and various Conference Committees are making every effort to ensure that the participating members receive **warm welcome, cordial cooperation and emotional hospitality** throughout their stay.

We look forward to making the **7th Triennial Conference at Indore a memorable and historic Conference of AIBRF**, reflecting the unity, strength and determination of the bank retirees' movement.

With warm greetings and best wishes,

Your Sincerely
