leaders etc on continuous basis since May 2015. You are well aware that it is only because of organisational efforts of AIBRF that our issues are still alive and we understand that they are under active consideration at IBA/ Government level. Our solidarity, unity and commitment have been reflected in the historical and memorable Thrissur conference in terms of unprecedented attendance, enthusiasm of delegates and observers, active participations in deliberations and quality of deliberations. We are grateful to all our affiliates' office bearers, central committee members, activists and membership at large for showing full faith in the organisation and its programmes. We are sure we shall continue to receive same support for our action programmes from all concerned without paying attention to unwarranted rumours coming from any quarter.

With Regards

Yours Sincerely

(S.C.JAIN)
