Dear Comrades

We find that negotiations on settlement have entered in the final phase and likely to be concluded shortly. Small Committee to give final touch to the various demands/ issues agreed has been constituted and its first meeting was held on 16.3.2020.

2. **These developments have created renewed hopes and enthusiasm among 4.5 lakh retirees along with employees. They are happy to see that long wait of more than 2 years will come to end and they will get some good news on their long pending issues.**

3. Retirees have very high hopes and expectations from this settlement. On the basis of information / feedback shared on different platforms on important demands like improvement in family pension, Updation etc. **they are pretty confident that this settlement will be composite one giving justice to the retirees.**

4. We make humble appeal to the entire leadership of UFBU on behalf of 4.5 lakh bank retirees to ensure that all efforts are made uniteadly to raise retiree issues effectively and see that they are achieved before signing the settlement. **Retirees are keenly watching the development in the hopes that it will be historical one which will enforce renewed faith in the process of negotiation to achieve their expectations through it.**

5. We convey our best wishes for the **BEST SETTLEMENT** for all stake holders in banking industry and also express our solidarity and unity with UFBU and its leadership.

With Warm Greetings,
Yours Sincerely,
