Dear Comrade

Re Appeal for Donations

Re: Coronavirus Pandemic

We, bank retirees are lucky that we have source of regular cash flow in the form of monthly pension to fight Coronavirus Pandemic and face challenges of nationwide 21 days shutdown financially. But millions & millions of workers in informal sector, daily wagers, domestic helpers, drivers, hawkers are not that lucky. Their earnings have completely stopped and they do not have money to buy even food items and necessities.

2. Government of India / State Governments have announced several packages to support the above groups of population. Additionally several social and charitable organisations have come forward to provide shelter and food to needy.

3. As part of the society and belonging to the lucky group who can spare some money out of regular cash flow, it become sacred duty of all of us to come forward to give liberal donations to save the people from hunger and provide capacity to fight this deadly disease. It is national cause which we all must respond in proactive manner.

4. We make appeal to our affiliates/ state committees / state units of affiliates / activists/ individuals to contribute liberally for this purpose in next 15/20 days. Basic responsibility to collect the funds will be of state committees. After collection of the funds, we request to remit the funds as under

(a) 60 per cent may be remitted to Chief Minister Relief Fund

(b) 40 per cent may be remitted to AIBRF Central Office in the following account which after consolidation of the amount and adding the amount from central pool will be remitted to Prime Minister Relief Fund.

5. We know, at present, we are facing several constraints in carrying out banking transactions. However those who are able to use online banking facility are requested to remit the amount online in the accounts of affiliates / state committees. We request our affiliates to contribute the amount from their central pool at present and collect the amount from members subsequently when situation becomes normal Our office bearers/ central committee members/ state committee chiefs/ activists are requested to actively coordinate this project to make it successful.

With Warm Regards

Yours Sincerely,
