Dear Comrades,

Re: **Curative Petition filed by United Bank of India Welfare Association in Supreme Court**  
**In the matter in of 100 DA.**

We understand that Curative petition filed by United Bank of India Welfare Association in the matter of 100 per cent DA came for hearing yesterday, 18.05.2020 before bench of 4 judges. Oral hearing was not permitted. After going through the relevant documents, curative petition was dismissed by the bench.

2. It is definitely setback to the bank retirees who have been fighting long drawn legal battle on this issue. As far as legal battle is concerned, having exhausted option of curative petition, we feel no further option is left in this area. However we appeal to the retiree fraternity, in particular who retired prior to November 2002 not to get disappointed from this negative outcome. Doors for organisational efforts are wide open. As we have been repeatedly mentioning and it is our firm stand that at the organisational level, issues/ demand never die till they are achieved. **AIBRF is committed to work with more commitment to achieve the demand of 100 per cent DA in coming days.** We also appeal to all of you to show faith in the organisation and observe organisational discipline. On this occasion we feel it would have been better had AIBRF advice to consider filing curative petition after signing of the settlement would have been followed. **We appreciate the efforts made by petitioners for the cause of retirees.**

Yours Sincerely,

(S.C.JAIN)  
GENERAL SECRETARY
