Dear Comrades,

**Re: STRIKE CALL OF 26TH NOVEMBER 2020 GIVEN BY CENTRAL TRADE UNION
ORGANISATIONS OF THE COUNTRY**

As you are aware, major 10 trade unions have given one day strike call on 26th November, 2020 Thursday in protest against government policies against privatization of public sector units, new labour and farm laws, increasing NPAs in banks etc.

2. We understand some of unions in banking industry will also be participating in the strike of 26th November, 2020.
3. We all belong to the working class and many of the issues being raised also concern us and we get directly affected from them
4. **AIBRF extents fraternal support to this strike call and wish leaders from central trade unions and from bank unions grand success in their action program of 26th.**
5. Our affiliates / individual members may consider participating in programs organized on this occasion to greet the employees and their leaders participating in the strike.
