Dear Comrades

Re: Government announcement to privatize public sector banks

Re: PROTEST

We request you to refer our circular No 2021/ 494 advising AIBRF stand opposing the government move to privatize some public sector banks during the financial year 2021-2022. In this circular, we had also announced AIBRF support to various action programs launched by Unions opposing the government move.

2. We understand that all UFBU Constituents have now given strike call of two days on 15th & 16th March, 2021 in protest of the government move of privatization. AIBRF is pleased to announce its full support of the Strike call of UFBU and call upon its members and state committees to coordinate with local units of UFBU and participate in action programs organized by them at different centers under AIBRF banner.

3. We propose to discuss this important issue in the next office bearers meeting to decide about future strategy of AIBRF on this issue.

With Revolutionary Greetings,

Yours Sincerely,

(S.C.JAIN)
