Honorable Finance Minister

Respected Madam

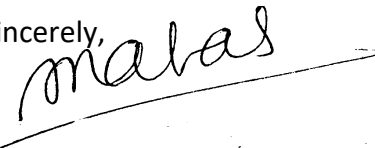

Re: Announcement of Increase in Family Pension

We convey our sincere thanks and gratitude to you for sanctioning increase in family pension in banks to the level of 30 per cent without ceiling w. e. f. 01.04.2021 and for making announcement to this effect in Press Conference on 25.08.2021.

2. We recollect that before the Women delegation of AIBRF who met you in Bangalore on 17. 02.2020 when they raised the issue of improvement in family pension and updation of pension, you assured them to examine the issue and take necessary steps in this direction. We are extremely happy to see that you have kept your assurance and approved increase in the family pension as per our expectations. 92000 family pensioners in banking industry, most of them are women express their **heartfelt gratitude and thanks** for this very positive gesture and through this much needed improvement providing them dignity and respect. We are getting continuous flow of feedback from thousand of these ladies who are showering their good wishes and expressing their gratitude to you for keeping promise for improvement. Lady family pensioners of retired employees who retired from lower grade were so far getting very low family pension ranging from Rs. 3500 to Rs. 5000. It will now go up to Rs. 6000 to Rs 8500 per months. **This increase has created new enthusiasm, confidence and sense of respect among them. It is great job you have done for them which deserves all praise.**

3. We once again convey our thanks to you and entire team of Ministry of Finance and Department of Financial Services for this historical announcement. We are sure other pending issues of bank retirees will be dealt with and approved with same amount of positivity.

With Respectful Regards

Yours Sincerely,

(S. C. JAIN)
