Dear Sir,

Re: Pension Option to Left Over Retirees

As you aware that pension option to left over retirees is one of **the pending issues** for AIBRF and AIBRF has been pursuing it for last several years with the concern authorities so those who could not exercise option in 2010 for certain reasons beyond their control also get regular pension and so they can lead tension free life.

2. AIBRF has been taking up this issue with DFS/IBA/ Unions for resolution on the plea that these eligible retirees did not exercised option out of their choice, but for the reasons which were beyond their control like information did not reach to them in time, they were settled in remote areas etc. Due to advancing age of retirees from this group and high inflation, managing day to day life was becoming difficult and challenging for them. Their case of one more option appear to be quite justified and strong when options were given to Resignees, compulsorily retired person and ex-gratia to those retiree before 1986.

3. Recently, you will kindly recollect, AIBRF had asked affiliates to send list of left-over retirees to compile data for further follow up.

4. We are now happy to find that UFBU all constituents under joint signatures vide letter dated 26.09.2025 have taken up the issue of pension option to left over with IBA. We are grateful to UFBU Constituents and its leaders for taking up the issue with IBA which will definitely give boost to the demand and help in taking up the issue forward.

5. AIBRF will continue to pursue the issue for resolution in coordination of all concern.

With Warm Greetings,

Yours Sincerely,

A handwritten signature in cursive script that reads "malas". Below the signature is a single horizontal line.
